

Playdog

Complete dog food

FUTURE

COMPLETE AND BALANCED FOOD FOR PUPPIES OF ALL BREEDS

PLAY DOG FUTURE is a complete, balanced food formulated specifically **to aid growth in puppies of all sizes** from weaning up to the age of one year.

Contains linseed oil and cod liver oil providing Omega 3 fatty acids to promote optimal retinal development in puppies and Omega 6 fatty acids for healthy skin and coat. Contains Choline Chloride to promote absorption of fats and prevent excess fat deposits in the liver. Contains chondroitin, glucosamine and MSM (Methylsulfonylmethane) for healthy joint and bone growth. **Our exclusive triple-layer kibble** is made with different cooking times for different materials for easily digestible starches.

Moreover, **animal proteins**, minerals and vitamins **are blended cold to preserve all their nutritional and organoleptic qualities**, without submitting ingredients to an additional heat treatment.
